Highlights

Nickel-plated connectors
Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.

Quality construction
Quality construction uses only top grade materials to create products of extended durability.

Color-coded connectors
Color coded connections make it easy to install your cable into the correct inputs and outputs

Easy grip
This non-slip grip makes connecting your components easy and ergonomically comfortable.

Plug and play
Plug and play offers easy installation of components without time-consuming installations.

Flexible PVC Jacket
Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Rubber strain relief
Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.
